Patient Rights Advocacy

Sustainable Wellness Solutions
Resilience Through Peer Strategies

PRA Program

Patients' Rights Advocates support individuals receiving mental health and behavioral health services by helping them understand and exercise their rights.

OUR SERVICES

Peer Run Advocacy

Represent and support patients through legal hearings and involuntary hold procedures.

Complaint and grievance support

Assist patients in treatment facilities with filing complaints and grievances, or file on their behalf to ensure their rights are protected.

Community Resources

Guide patients and families through complex healthcare and behavioral health treatment systems.
