ABOUT US

Mental Health, Housing, and Advocacy Services
For over 40 years, Sustainable Wellness Solutions (SWS), formerly known as Consumers Self Help Center, has provided community-based support services throughout Sacramento County and Contra Costa County.

Sustainable Wellness Solutions
Resilience Through Peer Strategies

PATIENT RIGHTS ADVOCACY (PRA)

Patients' Rights Advocates support individuals receiving mental health and behavioral health services by helping them understand and exercise their rights.

- Rights education and advocacy
- Assistance with hearings and involuntary holds
- Complaint and grievance support
- Support navigating treatment systems

COMMUNITY OUTREACH RECOVERY EMPOWERMENT (CORE)

CORE Community Wellness Centers provide welcoming, peer-centered spaces focused on recovery, wellness, and connection.

Peer to Peer Support

Social Room and Activities

Community Resources

HOUSING FOR HEALTHY CALIFORNIANS (HHC)

The Housing for Healthy California program supports individuals experiencing homelessness or chronic homelessness who also have significant health or behavioral health needs.

Services Include:

- Housing navigation
- Case management
- Advocacy and supportive services
- Wellness and stability support
